27th March, 1939.

Dear Sirs,

S.

I duly received your letter of the 22nd instant regarding the deformation which is alleged to have taken place in the furnaces of the boilers of the Steam Trawlers "KINGSTON CHRYSOLITE" and "KINGSTON CEYLONITE".

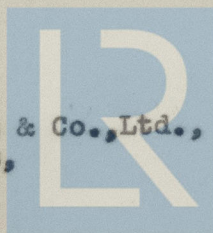

I have placed myself in communication with the Society's Hull Office in the matter, but would call your attention to the fact that the Society would be unable to co-operate in an inspection such as you propose, without the written consent of the Owners being first obtained.

I am, Dear Sirs,

Yours faithfully,

Clerk to the
Classification Committee.

Messrs. Charles D. Holmes & Co., Ltd.,
Hull Engineering Works,
HULL.
