

Steam Trawlers "KINGSTON CEYLONITE" and "KINGSTON CHRYSOLITE".

IT IS SUBMITTED the Hull Surveyors be furnished with a copy of the letter received from Messrs. Charles D. Holmes & Co. Ltd. and be asked to forward their comments in regard to the second paragraph.

Messrs. C.D. Holmes & Co. should be informed as regards the survey proposed to be held on one of the boilers that the Society is unable to partake in such inspection without the written consent of the Owners of the vessel being first obtained.
