

S. S. "EXTENSION"

Hul 33426

The machinery and boiler of this vessel were built in 1917 by Messrs. Goldie & McCulloch Co. Ltd., Galt, Ontario, and fitted into a Canadian Drifter. They were taken out of the latter vessel and have been fitted into a new drifter built by Messrs. Cochrane & Sons, Ltd., Selby.

Plans and details of the engines and boiler have previously been dealt with in view of the above vessel's classification with this Society, and a satisfactory report on the machinery has been forwarded by the Hull Surveyors, the survey including the examination of the screw shaft.

It is submitted that this vessel is eligible for the Record : -
