13th December, 1907.

Sir,

With reference to your letter of the 6th instant, respecting the Sr. "AGNES", I have to acquaint you that the case of this vessel received the consideration of the General Committee of the Society yesterday, and that as no arrangements were made by the Owner for the caulking to be submitted for examination before the vessel left your port as required the Committee have given instructions for the vessel's class to be expunged from the Register Book with a red line.

At the same time I have to say that in view of the terms of my letter of the 15th ultimo and of the vessel having sailed on the 26th ultimo, it is to be regretted that you did not at once report to the Committee the result of your interview with the Owner instead of waiting until you received a further enquiry from this Office in the matter.

I am, Sir,
Your obedient servant,

Mr. C. Cooper,
BRISTOL.

Secretary to the
Classification Committee.
