26th November, 1907.

Dear Sir,

I beg to acquaint you that your letter of the 19th instant, respecting your schooner "AGNES", has only now reached my hands owing to its having been incorrectly addressed.

The case of this vessel was submitted for the further consideration of the Committee of this Society at their meeting today, and in reply I am directed to say that if she is to retain her class in the Society's Register Book arrangements must be made for the caulking to be submitted for examination without fail before she leaves Bristol, in accordance with my letter of the 15th instant.

Unless this be done the Committee regret that there will be no option but to expunge the vessel's class from the Register Book, and I have therefore to request that you will be good enough to make arrangements accordingly.

I am, Dear Sir,

Yours faithfully,

E. Camm Esq.,
Master & Owner Schooner "AGNES",
BRISTOL.
