Received from Chief Ship Surveyor

VESSEL'S NAME

Steel S. S. "Anamba"

Report

Cpn No. 1662

The remarks of the Chief Ship Surveyor are desired on this case for the consideration of the Classing Committee.

("The endorsement to contain a succinct summary of any repairs that have been required and to show the cause or causes of such repairs, and also to bring out clearly any exceptional features in connection with the case, so that the Classing Committee may have all the salient points presented in the endorsement."—Extract from Sub-Committee's Report, 24/5/02.)

Nature of Survey

1st entry.

It is submitted that before this case receives the consideration of the Committee, the Surveyor should be requested to state whether spar ceiling has been fitted in the vessel from the bilges upwards as required by the Rules, and as this matter is not clear on his report, he should be informed that the classification of the vessel will be delayed in consequence. yes
