24th August 1921.

Dear Sirs,

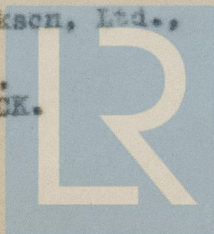

With reference to the classification in this Society's Register Book of the Steamers "BAIKAL", "DOBRINA NIKITICH" and "KOZAK PIARKOV", I have to acquaint you that it is understood these vessels are at Vladivostock. According to the Society's Rules they became due for Special Survey No.1 in March last and September and June last year respectively, and in the circumstances I shall be much obliged if you will endeavour to ascertain and let me know what arrangements are proposed to be made to have these inspections held.

I am, Dear Sirs,

Yours faithfully,

Secretary.
