ENCLOSURE.

10th May, 1921.

Dear Sirs,

I enclose herewith a copy of a report which has been received at this Office from the Society's Surveyor at Shanghai on the steamer "DOBRINA NIKITOH" from which you will observe that a new rudder head has been shipped to Vladivostock to be fitted in this vessel. You will also observe that the Special Survey No. 1 became due at the end of September last and I shall be glad if you will endeavour to ascertain and let me know by whom the steamer is managed and what arrangements are proposed to be made for the Special Survey to be carried out and any necessary repairs effected.

I may state that all information sent to the Secretary, Lloyds, from Vladivostock is transmitted through Lloyd's Agents at Yokohama, and it would therefore be well for you to see Lloyd's Agents upon the subject of this vessel.

I shall further be glad if you can obtain and forward any information respecting the names and Ownership of Russian vessels now in Vladivostock or engaged in trading from that port.

I am, Dear Sirs,

Yours faithfully,

Secretary.

The Surveyors,  
YOKOHAMA.
