Enclosure.

Dear Sir,

I wrote to you on the 3rd ultimo, inquiring whether I should be right in assuming that there would be no objection to the usual records being inserted in Lloyd's Register Book concerning the steamer "DOBRINIA NIKITICH", which has recently been completed for the Imperial Russian Government.

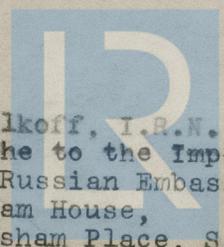

As, however, I have not yet had the pleasure of hearing from you upon the subject, I think it is probable that my letter has miscarried and I therefore venture to enclose a copy herewith

I am, Dear Sir,

Yours faithfully,

Secretary.

Rear-Admiral N. Wolkoff, I.R.N.,  
Naval Attache to the Imperial  
Russian Embassy,  
Chesham House,  
Chesham Place, S.W.
