These vessels became due for First Special Survey No. 3 and Second Special Survey No. 1 respectively in May last, and the Owners state they are applying to the Board of Trade for new Load Line Certificates, and therefore request that the vessels be taken out of the Society's classification.

The cases received the consideration of the Classing Committee on Tuesday, 28th July, when it was decided to withdraw the vessels' classes from the Register Book and insert three dots (...) in lieu thereof, indicating withdrawal of class at Owners' request.
