DIVISIONAL SUPERINTENDENT'S OFFICE,  
EAST LONDON. 4th. January 1922.

Dear Sir,

The question as to whether the Dredger "Agnes" of this Port should continue to be maintained to Lloyd's Classification has been considered by the Administration, and the withdrawal from the Register decided upon.

I shall therefore be pleased if you will take the necessary steps in this direction and advise me when deletion has been effected.  
Kindly acknowledge receipt thereof.

Yours faithfully,

(Signed)

H. Harris,

ACTING DIVISIONAL SUPERINTENDENT.

Capt. J. C. Morrison,  
Lloyd's Surveyor,
