Dear Sir,

I have the honour to acknowledge receipt of your letter "H" of 29th September, covering Copy of Liverpool Report No.8268I on the new boilers of this vessel, which will receive my attention in due course.

The Port Authorities have not yet decided whether to have the boilers installed here, or to sent the vessel to Durban for her Annual overhaul, when they would be put in at that port. In any case I will advise you as soon as definite arrangements have been made.

I am, Dear Sir,

Yours faithfully,

A. Monro

The Secretary,
