

Received 4th October, 1921.

Answered _____

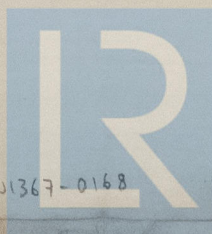

from letter dated 13th September received from
the Society's Surveyor at East London, South Africa.

Vessel's Name "AGNES"

Original letter with "PERO-DA-NHAYA".

DREDGER "AGNES"

I have to advise you that the new boilers for
this vessel have now arrived, and arrangements are being made
for their installation as soon as dredging operations will
permit.
