The First Special Survey No.1, which became due in July last, has been partly held, but the Owners now state that it is not intended to maintain the vessel's classification in the Society's Register Book.

In the circumstances the Classing Committee, who had the case before them on Friday, 23rd ultimo, decided to give instructions for the class to be withdrawn from the Register Book and three dots (...) inserted in lieu thereof, indicating withdrawal of class at Owners' request.
