Dear Mr. Redman,

With reference to my letter of the 27th November last enclosing a list of classed vessels which are understood to be owned by the French Government, and in connexion with which certain matters of survey are outstanding, I think it well to send you particulars of further cases coming within this category in order that you may be in a position to make the necessary enquiries regarding them.

I shall be very glad to receive as soon as possible such information as you are able to obtain of these vessels.

With kind regards,

Yours faithfully,

C. F. Redman Esq.,

PARIS.
