

WOKINGHAM COPY.

3rd June, 1942.

Dear Sirs,

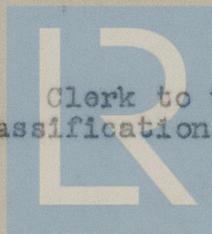

I duly received your letter of the 28th ultimo respecting the motorship "WOENSDRECHT" and may say that the fees suggested therein are approved.

I shall be glad to learn in due course whether the pump room is provided with lighting equipment in accordance with the Rules, and whether it is requisite that a special condition should be attached to the class in regard to the electric wiring which has now been disconnected. W.

I am, Dear Sirs,
Yours faithfully,

Clerk to the
Classification Committee.

The Surveyors,
BELFAST.
