

WIRE

Oil Tanker "WOENSDRECHT". No. 87310 in Register Book.

Plan of Oertz rudder submitted by Mr. Edgar.

It is submitted that provided the arrangements be carried out as shown and amended on the plan, and to the satisfaction of the Society's Surveyors, they will merit approval.

It is further submitted that the rudder should be caulked and made watertight in accordance with the existing practice of the Committee for double plate rudders.

The Surveyors might be informed by wire as requested as follows :-

"WOENSDRECHT OERTZ RUDDER SHOULD BE MADE WATERTIGHT".

The Chief Ship Surveyor and his Staff will be happy to discuss the matter with the Owners' representative, Mr. Van Ommeren, in this Office if desired.
