Steel Paddle Steamer "ALLEYN"; No.670 in R.B; 126 tons gross.
Built at London in 1905-5mo; Owners, George Martin, Limited.

Port of Registry, (?); Classed *A- *LMC5,05
For River purposes only
5,08

The S.S.No.1 became due in May 1908, and the year of
grace expired in May last.

This vessel was formerly owned by the London County
Council, but has been sold to Messrs.G.Martin, Lim., Dundee,
who recently informed the Dundee Surveyors that they did not
intend to retain the vessel's class in the Society's Register.

The new Owners were written to and asked to state
their intentions in regard to the classification of the vessel,
but no reply has been received.

The case was before the Classing Committee on the 7th
instant, when it was decided to give instructions for the
vessel's class to be withdrawn from the Register Book, and for
three dots (...) to be inserted in lieu thereof, indicating
withdrawal of class at Owners' request.
