For the CHIEF SHIP SURVEYOR and CHIEF ENGINEER SURVEYOR.

(In cases which have to be submitted to the Classing Committee "the endorsement to contain a succinct summary of any repairs that have been required and to show the cause or causes of such repairs, and also to bring out clearly any exceptional features in connection with the case so that the Classing Committee may have all the salient points presented in the endorsement."—Extract from Sub-Committee's Report, 24/5/92.)

No. *1* SURVEY PARTLY HELD.

due *3.08* When proposed to be completed

tion of Survey held, &c.

The S.S.No.1, due 3,08, was partly held at Milford in September 1908, and to complete the same, the bunkers and the machinery space require to be scaled and coated and the steering chains to be overhauled.

The year of grace will expire at the end of this month.

The Owner now states in reply to enquiry that he does not intend to continue the classification of the vessel.

It is submitted the vessel's class be withdrawn from the Register Book, and three dots inserted in lieu thereof, indicating withdrawal of class at Owner's request.
