Having interviewed the Manager of the Societa' Italia on the subject of repairs to the S.S. "Ancona" & "Lomina", see your letter dated October 3rd and September 15 marked H, he informed us that these vessels were no longer cleared, and referred us to his letter of the 5th of January 1911, the contents of which were given you in our letter of the same date. He expresses regret, that at that date his directors gave notice that all the vessels of his fleet were to be withdrawn from our club, and he will feel obliged if you would kindly inform the members at Newport & Philadelphia of this fact.
