Surveys, when held, must be reported in detail and serially in the terms of the Rules. State clearly the repairs, if any, and, in detail, the nature and extent of examinations and subsequent repairs. Repairs of Damage (the cause of which must be stated) should be separated from Repairs due to other causes; being detailed in the body of the report, should be summarised in the form shown below. Whenever the state of Anchors or Chains is reported, the particulars should be clearly stated in the space provided on this form. State also the dates and initials of any letters respecting this case.

Society's Freeboard (if assigned) as painted on Ship and now verified

cases where the Surveyor has not made a special damage report he is required to state whether he offered his services for this purpose and why they were

Was a damage report made by anyone else? If so, by whom?
