

KOBE.

24th August, 1920.

S. Innes Preston

the Osaka Shosen Kaisha proceed on board the Twin Screw Steamer "ALPS MARU", 7790 tons gross, of Osaka, to examine completion of repairs as recommended in Yokohama report of the 21st July 1920 and Kobe report of the 5th August 1920 and found that all repairs had been carried out to my entire satisfaction.
