4th February, 1913.

Dear Sirs,

S. I am in receipt of your telegram of to-day requesting to be furnished with the certificates of the tug "ARARY", and with regard thereto I regret to say that the Committee are unable to issue the documents in question until the survey has been completed by the fitting of the 6" x 6/20" bulb plate to the after peak tank bulkhead and by the examination of the same by the Society's Surveyors.

I may add that I am writing to the Society's Surveyor at Plymouth to-day on this subject, and as soon as a report on the completion of the survey is received at this Office, I shall have much pleasure in submitting the case to the Committee with a view to the necessary certificates being issued.

I am, Dear Sirs,

Yours faithfully,

Messrs. Philip & Son, Ltd.,  
Sandouay, Devon, Ltd.,  
Messrs. SANDOY, DARTMOUTH.

Secretary.
