ENCLOSURE

Sir,

M<sup>d</sup> I have to return herewith your First Entry Report No.5462 on the new Steamer "ARARY", and I shall be glad if you will arrange with the Builders for the 6" x 6/20" bulb plate to be fitted to the after peak tank bulkhead and for an examination of the same to be made to complete the survey for classification.

I may add that the date of the further visit to the vessel should be inserted on the report, instead of that of the 20th December as at present, so that the vessel can be recorded as built in 1913.

I am, Sir,

Your obedient servant,

Secretary.

Mr.J.C.Larg,  
PLYMOUTH.
