The Secretary,  
London.

Sir,

I beg to acknowledge your letter dated the 1<sup>st</sup> Feb 13, enclosing 1<sup>st</sup> Entry Form for the new tug "Arary" and to inform you that the items called for have now been inserted and the form enclosed.

On January 17<sup>th</sup> Messrs Philip & Son<sup>ts</sup> in a letter to me promised that the 6" x 4" bulb plate, would be fixed on after peak tank at earliest opportunity, but they have not since informed me that it is fitted.

The fore peak as far as I understand from the builders will not be used as a tank.

I am, Sir,

your obedient servant.

John L. L. L.
