24th January, 1913.

Sir,

M.

I enclose a copy of a letter dated 22nd instant received from Messrs. Philip & Son, Ltd. respecting the steel screw tug No. 409 now building by them, and with regard thereto I shall be glad if you will state whether all the work necessary to entitle this tug to the 100A 1 class is completed, and if so if you will forward your first entry reports on hull and machinery. If all the work is not completed you should state how the case stands.

At the same time I shall be glad to hear whether you have yet rendered your account for the fees and expenses if any, and if so, what these amounts are for hull and machinery respectively.

I am, Sir,

Your obedient servant,

Mr. J. C. Larg,
PLYMOUTH.

Secretary.
