Withdrawal of class

The Newcastle Surveyors report that on visiting this vessel in drydock, they were informed by the new Owners that it was not intended to continue her classification in the Society's Register and therefore their services were not required. It appears that some alterations are being made to suit the new Owners' requirements and some damage aft is being made good.

It is submitted the vessel's class be withdrawn from the Register Book, and three dots (...) inserted in lieu thereof, indicating withdrawal of class at Owners' request.
