71, Fenchurch Street, E.C.

22nd April, 1913.

Gentlemen,

H.

I have to acquaint you that I am informed by the Owners of the steamer "ARGOSY" that the vessel is to load in the Bristol Channel for the East Coast, and that as soon as they get her to Aberdeen or a suitable East Coast port, they will arrange to have the Boiler Survey held. I have therefore to request that you will give the case the necessary attention in the event of the vessel arriving in your district.

I am, Gentlemen,

Your obedient Servant,

Assistant to the Secretary.

The Surveyors,

ABERDEEN.
