

13th October, 1911.

Gentlemen,

E. I am in receipt of Mr. Ritson's letter of the 11th instant together with the amended plan advised therein of the crank shaft proposed for the Engines for the Diesel Motor vessel being built by the Cantiere Officine Savoia of Cornigliano, and with regard thereto I have to acquaint you that the crank shaft as amended will be approved.

The plan referred to is being returned to you under separate cover and the original plan has been cancelled and retained.

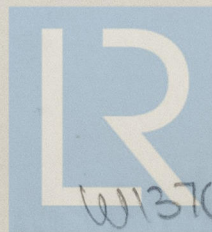

I am, Gentlemen,

Your obedient Servant,

Secretary.

The Surveyors,

GENOA.
