Lloyd's Register of Shipping,

71, Fenchurch Street, E.C.
16th February, 1915.

Dear Sirs,

With reference to the classification in the Society's Register Book of the steamer "BALSENSE", I beg to draw your attention to the fact that I have not yet been favoured with a reply to the enquiry addressed to you on the 14th ultimo in reference to the survey of the screw shaft.

The case of this vessel has received the consideration of the Committee at their meeting today, and I am directed to acquaint you that in view of the survey in question being now so long overdue the Committee must ask you to arrange for the necessary inspection to take place at an early date, as otherwise they will have no option but to deal with the vessel's class.

I shall therefore be obliged if you will kindly let me know what definite arrangements you propose making in the matter.

I am, Dear Sirs,
Yours faithfully,

Messrs. Cia. de
Pescarias Balseense
no Algarve,
TAVIRA, Portugal.
