WOKINGHAM COPY.

20th September, 1941.

Dear Sir,

I duly received your letter of the 9th instant respecting Glasgow Rpt. No. 64316 on the motorship "WALMER CASTLE", and in reply may say it is considered a fee of £5.5.0. should be charged for the portion of the Continuous Survey of this vessel's oil engines carried out at the present time.

I shall be obliged if you will kindly enquire and let me know whether the Surveyor examined the crankshaft of the compressor of the centre dynamo engine on this occasion.

I am, Dear Sir,  
Yours faithfully,

Clerk to the  
Classification Committee.

The Secretary,  
GLASGOW.
