S.  
Dear Sirs,

With reference to the case of the motorship "WALMER CASTLE", I forward herewith a copy of a letter which has been received from the Owners and as the recommendation regarding the renewal of the propeller was originally made by you (Report No.17514), it will be appreciated if you will furnish any observations you may have to make on the Owners' request. In particular, perhaps, you will state why the renewal of the propeller was recommended.

I am, Dear Sirs,  
Yours faithfully,

Clerk to the  
Classification Committee.

The Surveyors,  
SOUTHAMPTON.
