---

This vessel became due in August 1918 for the  
Special Survey No. 1, and the Commissioners for the Blyth  
Harbour state, in reply to inquiry, that they do not  
consider it necessary for the classification to be maintained.

The Classing Committee had the case before them  
on Tuesday, 15th April, when it was decided to withdraw  
the class from the Register Book, and insert three dots  
(...) in lieu, indicating withdrawal of class at Owners'  
request.
