21st August, 1914.

Dear Sirs,

With reference to your report No. 27835 on the Hopper Barge "B. H. C. No. 12", and to the general remarks in regard to the workmanship, I have to request that Mr. Wright will be good enough to state explicitly whether he is satisfied that the workmanship is good and efficient and such as is necessary to render the vessel eligible to be classed #100A-"Hopper Barge".

I may remind you that in a similar vessel built by the same Builders for the same Owners, viz:- the "B.H.C.No.13" a considerable amount of unsatisfactory work was found upon her delivery in October last year.

I am, Dear Sirs,

Yours faithfully,

Secretary.

The Surveyors,

HULL.
