24th August, 1921.

Dear Sirs,

I am in receipt of your letter of the 13th instant regarding the Auxiliary Motor Vessel "ESQUIMALT", and note that she is still laid up.

In the circumstances the Committee have further deferred action in the case, but in view of the Owners' letter dated 19th January forwarded with yours of the 21st February, it is desirable that you should inform them that the classification of the vessel has been allowed by the Committee to remain undisturbed for the present, subject to the necessary surveys taking place before she is again sent to sea.

I am, Dear Sirs,

Yours faithfully,

The Surveyors,

MARSEILLES.

Secretary.
