Lloyd's Register of Shipping,

71, Fenchurch Street, E.C. 3.

29th November, 1921.

Dear Sirs,

With reference to your letter of the 11th and my reply of the 15th instant, respecting the Motor Barges "BEATRICE HOPE" & "EVELYN HOPE", it is observed that the former vessel has recently made a voyage to Calais and back.

In the circumstances the Committee, who have again had the case under their consideration at their meeting to-day, direct me to inform you that they can only agree to the vessels retaining their classes in the Register Book on the definite understanding that the surveys of the Oil Engines will be carried out before they are again employed, and the Committee will be glad to receive your assurance on this matter.

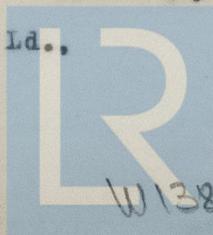

I am, Dear Sirs,

Yours faithfully,

Secretary.
