18th October 1921.

Dear Sirs,

I beg to acknowledge the receipt of your letter of the 13th instant intimating that the Motor Vessels "BEATRICE HOPE" and "EVRELYN HOPE" are still laid up, and in reply I have to say that in the circumstances the Committee, who had the cases before them at their meeting to-day, have deferred consideration of the same on the understanding that the survey of the Oil Engines will be carried out before the vessels are again employed.

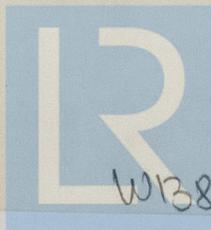

I am, Dear Sirs,

Yours faithfully,

Secretary.
