

Motor Vessel "EVELYN HOPE"

In reply to an enquiry by telephone, Messrs. Gray & Hunter state that they have not been advised by the Owners regarding the quadrant of this vessel, but they will get into touch with the Owners immediately as to their intentions in the matter and will advise this Office of their reply in the course of a few days.

P. J. Miles.

6th. January, 1921.

Messrs. Gray & Hunter stated upon being further communicated with by telephone that they had been in communication with the Owners but have received no reply. They will now press them for an immediate decision regarding the quadrant and will advise this Office
