## Enclosures.

4th June, 1920.

Dear Sirs,

With reference to your letters of the 2nd instant and to your Representative's call at this office, respecting the rudder and quadrant of the Motor Barge "EVELYN HOPE", and to your statement that it is not possible to fit a spare tiller on account of the obstruction of the after deck erection, I beg to acquaint you that, in the circumstances, the plan of quadrant has been amended to be of the required additional strength in lieu of fitting a spare tiller.

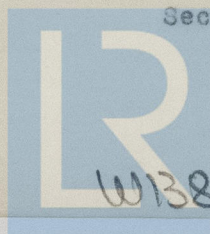

Provided the arrangements be carried out as shown and amended on the plans, and to the satisfaction of the Society's Surveyors, the same will be approved.

The plans forwarded by you are returned herewith.

I am, Dear Sirs,  
Yours faithfully,

Messrs. Gray & Hunter,  
89, Aldgate,  
E.1.

Secretary.
