Lloyd's Register of British & Foreign Shipping,
71, Fenchurch Street, E.C.

6th November, 1908.

Gentlemen,

H.

With reference to the classification of the steamer "BARTON, No. 225 in the Register Book, I have to acquaint you that a notice in regard to the Special Survey No. 1 was sent to the Owners on the 20th November, 1907, to which no reply appears to have been received. I shall therefore be glad if you will take advantage of a suitable opportunity to see the Owners and to point out to them that as the year of grace allowed by the Society's Rules within which to complete the survey has expired and no part of it has been held, definite arrangements should now be made for the inspection to be carried out, in order to avoid the disturbance of the vessel's character in the Register Book. You will be so good as to let me know the result of your interview.

I am, Gentlemen,

Your obedient Servant,

The Surveyors,
MANCHESTER.
