The S.S.No.1,due 3,07,was partly held at Birkenhead in  
April 1907 by examination of the bottom in dry dock.

The Liverpool Surveyors recently forwarded a letter  
from the Owners stating that it was not their intention to  
retain the class of the vessel.

The case was before the Classing Committee on the 31st  
ultimo,and it was decided to withdraw the class from the  
Register Book,and to insert three dots (...) in lieu thereof,  
indicating withdrawal of class at Owners' request.
