Dear Sirs,

With reference to the classification in this Society's Register Book of the River Steamers "BOYDELL" and "PURCELL", which are understood to have recently become your property, I beg to acquaint you that the Special Survey No.1 prescribed by the Society's Rules became due in each case in May 1908 and in order therefore to entitle these vessels to retain their classes in the Society's Register Book, it will be necessary for the inspections in question to be carried out without delay. I shall therefore be obliged if you will kindly let me know for the information of the Committee what arrangements you propose making in the matter.

I enclose for your information an extract from the Society's Rules setting forth the requirements of the Special Survey No.1 and also a list of ports at which the Society has Surveyors stationed.

I am, Dear Sirs,
Yours faithfully,

The Royal Servian
Privileged Steamship Company,
BELGRADE, Servia.
