For Government Service
10.19

LMC 12.20.
TS 12.20 (C.L.)
2 Water Tube Boilers.

-:-----:-

This vessel was built under survey and classed A1
"For Government Service", and in December last the Plymouth
Surveyor reported that some minor alterations had been carried
out and the vessel was proceeding to Bombay, where approved
alterations were to be carried out and the survey completed,
with a view to the vessel being classed A1 "Coasting Bombay
and Goa".

The Bombay Surveyor now forwards a letter from the
Owners stating that they do not intend to keep the steamer
in class, and in the circumstances the Classing Committee,
who had the case before them on Wednesday, 3rd instant, decided
to withdraw the vessel's class from the Register Book and insert
three dots (...) in lieu thereof, indicating withdrawal of
class at Owners' request.
