

Received by Chief Ship Surveyor

Received from Chief Ship Surveyor 28 JUL 1921

VESSEL'S NAME Steel T.S.S. "BRADFIELD". Rpt. Lon. No. 84504a

The remarks of the Chief Ship Surveyor are desired on this case for the consideration of the Classing Committee.

("The endorsement to contain a succinct summary of any repairs that have been required and to show the cause or causes of such repairs, and also to bring out clearly any exceptional features in connection with the case, so that the Classing Committee may have all the salient points presented in the endorsement."—Extract from Sub-Committee's Report, 24/5/22.)

## Nature of Survey

This vessel was built under survey and classed A.1. for Government Service.

The Plymouth Surveyor reported in December last that some minor alterations had been carried out and the vessel was proceeding to Bombay, where approved alterations were to be carried out and the survey completed, with a view to the vessel being classed A.1. "Coasting Bombay and Goa."

The Bombay Surveyor now forwards a letter from the Owners in which it is stated that they do not intend to keep the steamer in class.

It is submitted the class of the vessel be withdrawn from the Register Book and three dots (...) inserted in lieu thereof, indicating withdrawal of class at the Owners' request.

Withdraw class.
