Lloyd's Register of British & Foreign Shipping,

71, Fenchurch Street, E.C.

Enclosure.

5th August, 1909.

Dear Sir,

With reference to the classification in this Society's Register Book of the River Steamer "BRUNEL", which is understood to have recently become your property, I beg to acquaint you that the Special Survey No.1 prescribed by the Society's Rules, became due in May, 1908, and in order therefore to entitle this vessel to retain her classification in this Society's Register Book, it will be necessary for the inspection in question to be held without delay.

I shall therefore be glad if you will kindly let me know for the information of the Committee what arrangements you propose making in the matter.

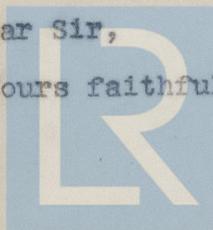

I enclose for your information an extract from the Rules setting forth the requirements for the Special Survey No.1 and also a list of the ports at which Surveyors to the Society are stationed.

I am, Dear Sir,

Yours faithfully,

George Bartlett Esq.,

205, Walworth Road S.E.
