The S.S.No.1 became due in May 1908, and the year of grace expired at the end of last month.

The vessel, which was owned by the London County Council, was recently sold, and the new Owners informed the Dundee Surveyors that they did not intend to retain her classification in the Society's Register.

The case was before the Classing Committee on the 22nd June, and it was decided to withdraw the vessel's class from the Register Book, and to insert three dots (...) in lieu thereof, indicating withdrawal of class at Owners' request.
