Dear Sir,

S.S. "ALPHACCA"

With reference to your letter of the 5th instant, we are writing to advise you that our records of this vessel indicate the same outstanding items as yours, but as the ship is sailing at present, we cannot take any action before she calls at a suitable Port. You may rest assured, however, that the matter will have our attention at the first possible opportunity.

In connection with the survey of the centre boiler, we would mention that same was last seen by your Surveyors in June 1941.

Yours faithfully,

*H. J. Hoag*
