Dear Sir(s),

I am directed to acquaint you that in accordance with the arrangements at present in force for the substitution of Special Periodical Surveys by successive General Examinations at twelve-monthly intervals, a General Examination for maintenance of class of the above-named vessel will require to be held before the end of **May next** and I shall be glad to learn, for the information of the Committee, when and at what port it is proposed to submit her for the requisite inspection.

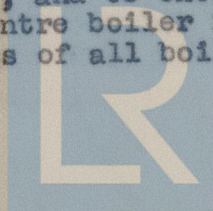

I am, Dear Sir(s),

Yours faithfully,

The Netherland Shipping &
Trading Committee Ltd.,
Technical Dept..
5/6 Crosby Square,
Bishopsgate, LONDON, E.C.3.

Malcolm K Scott
Secretary.

P.S. At the same time I think it well to remind you that to complete the Boiler Survey, and to entitle the vessel to a record of B.S. 12.41 the centre boiler requires to be examined, all boiler mountings of all boilers examined, and all safety valves adjusted.
