ENCLOSURES.

22nd August 1918.,

Dear Sirs,

A I have to send herewith for your information and guidance in completing the survey the Manchester first entry report No.4154, and the London report C.846 relating to the Turbine Machinery which has been made by the British Westinghouse Electric & Manufacturing Co., for the S.S. "No. 70" building by the North of Ireland S. B. Co., at Londonderry, and I have to request that you will be good enough to give the case the necessary attention.

I have to add that the Manchester Surveyors are being requested to render an account for the full amount of the survey fees and travelling expenses to the British Westinghouse Co., and the proportion of the fee which will be due to your port for the survey during fitting on board will be £11. 6. 6.

You will be good enough to advise the Manchester Surveyors of the amount of the travelling expenses, if any, which will be chargeable in this case, in order that they may include the same in their account when rendering.

I am, Dear Sirs,

Yours faithfully,

The Surveyors,  
BELFAST.
