PETERHEAD, 11th June, 1913.

We have a letter to-day from the Secretary of the  
London & Peterhead Company stating that he is bringing your  
letter before their next directors meeting to see what they  
intend to do re classification of their drifters. Immediately  
after the meeting, he will write you on the matter.

We are also in receipt of your letter of the 7th  
instant re the steam drifter "PROSIDENT". This vessel is  
partly owned by the Skipper & Wife, and we will consult with  
them as to whether or not they wish the boat reclassified in  
Lloyd's.

We are, Dear Sirs,

Yours faithfully,
